Hail 'n' ride

To hail the bus, raise your hand to indicate that you wish the driver to stop. Make sure you are standing in a visible location so that the driver can clearly see you.

You should ensure the bus has enough room to pull over safely and not interfere with passing traffic. Drivers are not able to pull over in a turning lane, on a corner or on a roundabout.

You also cannot hail 'n' ride:

- in the City (between Caneland Central and Shakespeare St)
- within 400m of a bus stop
- on roads with speed limits of more than 60kph.

For safety reasons, the provision of hail 'n' ride is at the driver's discretion.
