Dear Parents,

The P&C Association requires permission from families to allow us to send home raffle tickets.

We have the permission form returned with a yes/no answer and signature on the bottom of this form. This is a requirement of the Queensland Treasury Art Union Division as this then complies with the Art Unions and Public Amusement Act & Regulations 1992.

The resources purchased by the P&C from the profits of these raffles help us to enhance the resources and equipment etc. that the school has for the benefit of all students who attend the School.

We have a major Christmas Raffle at the end of the year which is drawn at our annual Christmas Fair.
